Alexandria, VA 22313-1450

Sir:

Further to the Submission of Executed Declaration filed October 4, 2006 under U.S. Application No. 10/593,285, please note that the executed Declaration was submitted under the incorrect serial number since the U.S.P.T.O. returned the Request For Early Notification Of Serial Number with the incorrect serial number of 10/593,285. A copy of the serial number card is attached for the Examiner's convenience.

Applicants are now re-submitting the executed Declaration under the correct serial number, i.e., Appln. No. 10/593,286.

Since our check No. 307736 dated October 4, 2006, for the statutory fee of \$130.00 was previously submitted, no fee is believed to be due at this time. However, the USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
